AFRB38-3x5BLK	3 feet x 5 feet, Black Anti Fatigue Floor Mats, Ribbed Pattern	10
AFRB38-3x6BLK	3 feet x 6 feet, Black Anti Fatigue Floor Mats, Ribbed Pattern	12
AFRB38-3x8BLK	3 feet x 8 feet, Black Anti Fatigue Floor Mats, Ribbed Pattern	16
AFRB38-3x10BLK	3 feet x 10 feet, Black Anti Fatigue Floor Mats, Ribbed Pattern	20

### Black Anti Fatigue Floor Mats, Ribbed Pattern

Black Anti Fatigue Floor Mats are designed to provide comfort and reduce worker's fatigue in any industrial facility or a warehouse. Bertech's Black Anti Fatigue Floor Mats are made of 3/8" thick closed-cell expanded polyvinyl chloride. The construction design of a ribbed pattern makes the mats slip resistant. They are resistant to degradation by inorganic acid, organic acids, detergent solutions, alcohol, and mineral oil. They are available in up to 60 feet in length.

**Custom sizes are available upon request.**
