Industrial Grade Tape Dispensers

Tape Dispensers are designed to meet the needs of manufacturing operations. Bertech's wide range of products include industrial grade dispensers that can accommodate 1" to 4" wide tape rolls or multiple rolls of various sizes up to 4" wide on a 3" core.

Table Top Tape and Label Dispensers hold multiple rolls of labels and specialty tapes. They are designed to load and unload rolls easily. Bertech's Table Top and Label Dispensers feature a steel frame for durability, gripper base for slip resistance, and a serrated blade to cut the tapes.
